ASCI NETWORKING
BREAKFAST SERIES 2019

JULY 2019

Ethical and Sustainable Procurement Series

The procurement space is vulnerable for disruption. *ASCI's Networking Breakfast Series* brings procurement managers events across the country to cover best practice solutions to assist with sustainable procurement. We'll also address the tougher regulations around modern slavery, and how this affects an increased focus on the bottom line for businesses globally.

Brisbane: 17 July 2019

A roundtable discussion with moderation from our corporate members, Michael Page.

Sydney: 23 July 2019

A keynote address from MD Maruf Hossan Chowdhury, Lecturer (Operations & Supply Chain Management) from our Corporate Member, UTS Business School on procurement modelling.

Melbourne: 24 July 2019

A roundtable discussion to address stakeholder engagement; supplier relationship management; process efficiency and future technologies, moderated by our corporate member Deloitte.
